

Envirothon Travel Assistance Opportunity

Funding for travel assistance has been made possible thanks to generous contributions from BP, Wells Fargo, and Palmer Soil and Water Conservation District (PSWCD). Travel funds are available to students and advisors who wish to participate in the 2012 State Envirothon Competition and express financial need. Travel assistance will not cover the entire cost of attending the competition, so applicants will need to explain their fundraising plan.

Applicants will be scored based on the criteria below. Please write a 1 page proposal, addressing each qualification and mail to 259 South Alaska St. Palmer, AK 99645 or email to Envirothon Director: palmersalmon@gmail.com

Possible points

___/100 pts # of students attending

- 5 points given for each participant
- 2 bonus points given for each competitive team (please list names of each 5-member team)

___/75 pts explanation of need

- Describe the financial need of your students; either individually or as a group. Address financial barriers to participating in extracurricular activities and if possible, provide personal accounts of why students want to be involved.

___/75 pts school/community/club support

- Up to 25 points for school/club support (sub pay or costs associated with curriculum materials)
- Up to 50 points for community sponsorship (Elks Club, American Legion, Grange or corporate)

___/50 pts fundraising plan & estimated goal

- Explain your fundraising goal (dollar amount) and how the members of your group will attain it?
- Scoring will be based on amount per person
